### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mara Liepa on April 29, 2004.

The application has been amended as follows:

Claim 14, component (e), delete therefore "acid-substituted acrylic polymer" and insert therefore ---sulfonated-hydrophobically modified polyacrylate---.

### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest applicant's metal cleaning composition and specifically the sulfonated-hydrophobically modified polyacrylate in combination with other cleaning ingredients. Accordingly, the claims are allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
